No rates are established and no trash generated outside of Fayette County shall be accepted at the Waste Transfer Station of the City of Connersville. The location of trash generated shall be identified and certified by the customer. The customer ID shall be furnished as requested by the operator accepting the materials.

Other Items not listed are subject to estimates provided by the Transfer Station Operator. Unloading is absolutely prohibited without the presence of the Transfer Operator. Prices subject to change without notification.

AFFIDAVIT: State of Indiana
County of Fayette

I the undersigned, being duly sworn under oath, allege and say: that the load being delivered to Connersville Transfer Station is comprised totally of solid waste and contains nothing else whatsoever, specifically not hazardous, toxic, or special wastes as defined by Indiana Law. The solid waste I am hauling was generated in the Fayette County Solid Waste District. I understand any misstatement or deception in signing this document could subject me to penalties of perjury that the aforementioned statement is true to the best of my knowledge and belief.
