

Fayette County Cemetery Commission
March 6, 2024

Those Present: Amanda Stevens, President; Aimee Brumfield, Secretary; Donna Schroeder and Jarrod McGlothen

Meeting was called to order by President Amanda Stevens
The Pledge of Allegiance was said by all present.
The February minutes were read and Donna made the first motion to accept and Amanda second. Motion carried

Old Business:

Amanda updated the regions for each board member to oversee.

*Donna Schroeder and Jarrod McGlothen are officially new board members

*Amanda and Donna have been looking at property records looking for easements to the county owned cemeteries

*The High school sports complex is expanding and they are really close to Higher Praise so it's important to locate the cemetery back there

*Jarrod is going to ask Jane about our budget so we can see about getting the tree work done at Union Chapel and will send Amanda some numbers for tree services.

*Tullis Chapel was removed from the mowing contract list due to inaccessibility.

New Business:

*Jay McAtee our mowing contractor is ready to get started for the season and has received the approval from commissioners.

*The Ruf family has a cemetery on their property (possibly the poor farm) and they would like to have it preserved. The cemetery has been plowed over at some point so it will be a big job. We will need to talk to them more about a fence to keep the cattle out.

*Amanda reported that our 2 new mowers wont start. They've only been used a couple of times each. We'll have to look and see if we can figure out what the issue is.

* We would like to get gifts for our volunteers. Aimee will contact the trophy store about t-shirt prices.

The Gamble cemetery needs to be located around the Higher Praise Worship center.

The High School sports fields have expanded so the cemetery needs to be located and marked.

First motion to adjourn was made by Aimee, Second by Amanda

Next Meeting April 3, 2024 at 9am in the Cemetery Commissions Office located in the Courthouse Annex building.

Submitted by: Aimee Brumfield, Secretary
